

Liaison and Diversion Service

Been arrested?

**Due in
court?**

**We can help and
support you!**

Our service is here to help vulnerable adults and children or young people.

We offer support for anyone who is arrested at the police station or appearing in court.

We mean people who may have:

Learning
Disability or
difficulties

Mental
Health
concerns

Drug and
Alcohol
misuse

Money
concerns

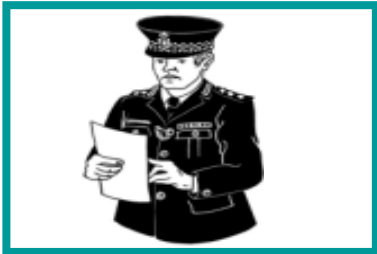

Housing
concerns

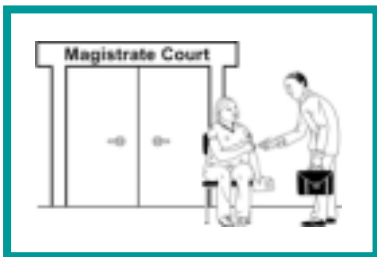

Communication
difficulties

Where can we offer you support?

- Staines Police Station
- Guildford Police Station
- Salfords Custody Suite

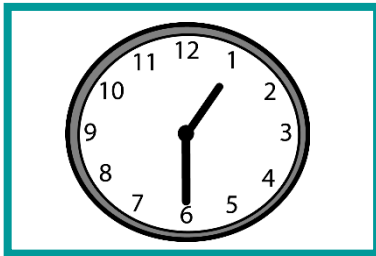

- Staines Magistrate's Court
- Guildford Magistrate's court
- Guildford Crown Court

When and how we can support you.

We are here to help you in Custody every day of the week between 0700 -1900, and in court Monday to Saturday.

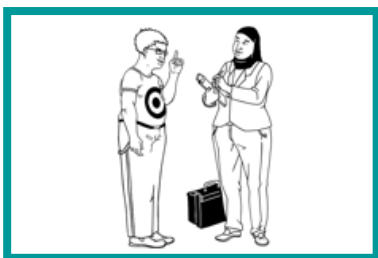

Outside of custody and court the team is available Monday to Friday 0900-1700

Sometimes the support we give is over the phone.

Otherwise, we will meet you in person.

The team is made up of different people that can help in different ways.

In custody and court, you will see:

- Nurses
- Support workers

These people can help identify any problems you might have.

In the community you will see:

- Support workers
- Peer Support work

These people can help you to sort out the problems you might have.

The team can put you in touch with other services in your area.

If you want the LDS team's help you can 'refer' yourself.

You can also ask someone at the police station or magistrate's court to refer you to the LDS team.

If you are at the police station or court, someone from the LDS team will be there to speak with you.

You can contact the team:

By phone: 01483
443589
